W. J. Cole, Esq.,

The T. Eaton Company,

Toronto.

Dear Mr. Cole:

It is difficult for me to be absolutely sure that I can be with you on the evening of April 27, as there may be an important engagement that would intertere. However, if I can do so, I will gladly be with you in the evening and give a short address to the members of your Club. Will you let me know the hour of the meeting of the Club ?

Yours sincerely,

President.
